

## KROGER GIFT CARDS-our easiest ongoing lucrative fundraiser!

Kroger Gift Cards are sold throughout the year by HHS Band of Blue and can be obtained thru HHS BOB Treasurer Anita Van Melle.

The Kroger Gift Cards raise money that goes directly into your child's personal band account.

(The funds are used for band expenses only, no cash back at any time)

How it works:

Contact Anita Van Melle (email on HHS BOB Website) to purchase a Kroger Gift Card for \$10 (you may purchase as many as you want!)

When you receive the card there is already \$10 credit on it,

You or your family/friends who also hold cards may go to the customer service desk and repeatedly recharge the Kroger Card in increments from \$5.00 to \$500.00 at (any Kroger in any state!) Buy them for friends and family, neighbors and co-workers-give them the gift of the initial \$10 to encourage them to use the card repeatedly.

The profit margin from Kroger is 4%. For every \$100.00 you load on your card, the band receives \$4.00 to apply towards your account.

How Much Can You Make?? Plenty!!

If you have five people using a Kroger card with your child's band account and they spend \$100.00 each per week --- that adds up to a \$20 credit each week. You will rapidly begin getting a 4% return on every dollar they spend on their groceries! Credits are processed monthly and can also be accrued to pay off future band fees.

START NOW!!! Contact Anita thru the Booster email at  
[www.hhsbandofblue.com](http://www.hhsbandofblue.com) website!
